## GENERAL BUSINESS – 5.1 Review of Action Items from Brainstorm

Accountability Roundtable – Marcelle booked the venue. Discussion about the approach to accountability in the relationship between government and social service providers. Consider Not For Profit Roundtable as participant. Consider having two speakers, one for the outputs, quantitative, systems and another for outcomes and qualitative.

## GENERAL BUSINESS – Reviewing Communication Plan

### Actions:

- Update of web (actioned above)
- Info sheet to be developed before the next event RB to pull out of funding proposal & get it set up as A4

## GENERAL BUSINESS – Funding Update

Discussed that funding proposal is now in with FACS and EPA, awaiting CP's return to submit the proposal to other potential funders such as foundations.

## GENERAL BUSINESS – Practitioners Talk

- Discussed that we will have completed three year end –with an additional event in NSW on Local Government accountability and the Qld event will be rebadged a Practitioners Talk.

## GENERAL BUSINESS – Training

Currently planning early November to run same training as last year in Melbourne. Stakeholder Engagement training was discussed but there was concern expressed on the nature of the offer, that is seen to be endorsing one approach over others. It was agreed that it would need to be in a similar format to assurance workshop – that is a 'taster' of all approaches. Noted that we shouldn't offer training that is titled the same as members.

Action - Have a 'taster' day for not for profits on accountability – the different approaches to accountability relevant to NFP. Liz Skelton/Marcelle to lead - would have SVA, SAN, CRI and other models for accountability.

## GENERAL BUSINESS – OTHER BUSINESS

None.

CLOSURE: There being no further business, the meeting closed at 12.45pm

NEXT MEETING: The date of the next meeting was to be held in conjunction with Melbourne training.
